

## *Vision & Mission Statement*

*“In close cooperation with our allies,  
gaining mental and financial satisfaction,  
resulting in effective (Forest) returns on investments,  
creating ecological and economic success for all participants,  
with respect for community development and corporate governance,  
based on people, planet, profit, principles, passion, pleasure and priority  
by outstanding, sustainable multifunctional country estates in general  
and analogue sustainable reforestation processes in particular,  
aiming to protect, increase and foster the forests,  
leading to a better quality of life.”*
